(ii) the State, and not the local governments, shall bear the burden of any insufficiency of funds to fully reimburse the counties for property tax credits under this section.

(c) The Department shall adopt regulations to carry out this section.

(d)(1) Except as provided in subsection (e) of this section, the Department is responsible for the administrative duties that relate to the application and determination of eligibility for a property tax credit under this section.

(2) The Department may:

(i) make an agreement with a county collector for limited assistance with a part of the administrative duties; and

(ii) reimburse the county for the reasonable cost of the assistance provided.

(3) When an applicant for the property tax credit under this section resides in an independent living unit at a continuing care facility for the aged, the Department shall determine for the independent living unit:

(i) the lot size;

(ii) the assessed value of land and building; and

(iii) the total real property tax.

(e)(1) On or before May 1 of each year, the Department shall provide the Comptroller information identifying owners of residential properties with an assessed value not exceeding \$300,000 who, during the preceding 3 years, failed to claim the property tax credit under this section.

(2) The Comptroller shall:

(4) On or before August 1 of each year, the Department shall contact each individual identified under paragraph (2) of this subsection by mail to inform the individual that the individual may be eligible for the property tax credit under this section and how to apply for the credit.

(f) A homeowner who meets the requirements of this section shall be granted the property tax credit under this section against the property tax imposed on the real property of the dwelling.

(g)(1) Except as provided in subsection (h) of this section, the property tax credit under this section is the total real property tax of a dwelling, less the percentage of the combined income of the homeowner that is described in paragraph (2) of this subsection.

(h) For home purchasers, the property tax credit is the amount of the credit as calculated under subsection (g) of this section multiplied by a fraction, where:

(2) the denominator is 365 days.

(i) If a surviving spouse of a homeowner has not remarried and meets the qualifications except for age or disability, the property tax credit under this section is available to the unmarried surviving spouse.

(j)(1) A property tax credit under this section may not be granted to a homeowner whose combined net worth exceeds \$200,000 as of December 31 of the calendar year that precedes the year in which the homeowner applies for the property tax credit or whose combined gross income exceeds \$60,000 in that same calendar year.

(3) A homeowner may claim a property tax credit under this section for only 1 dwelling.

(4) Except as provided in subsection (u) of this section, if a property tax credit is issued under this section, the credit or a voucher for a credit may be used only in the taxable year in which it was issued or the next succeeding taxable year. However, a homeowner whose dwelling is sold for taxes may receive the credit until the final decree under § 14-844 (<https://1.next.westlaw.com/Link/Document/FullText?findType=L&originatingContext=document&transitionType=DocumentItem&pubNum=1000033&refType=LQ&originatingDoc=l83da3a40818511e7aafe95cf571439a9&cite=MDTPS14-844>) of this article is entered.

(k) A homeowner may qualify for a property tax credit under this section if the homeowner does not actually reside in the dwelling for the required time period because of illness or need of special care even if the homeowner:

(1) rents the dwelling for less than 1 year; or

(2) rents the dwelling for more than 1 year to a member of the homeowner's immediate family.

(l)(1) Except as provided in subsections (m) and (u) of this section, on or before September 1 of the taxable year in which the property tax credit under this section is sought, a homeowner may apply to the Department for a property tax credit under this section. The

(ii) The Department shall notify the homeowner in writing of its acceptance or rejection of a late application.

(3) The homeowner shall state under oath that the facts in the application are true.

(4) To substantiate the application, the applicant may be required to provide a copy of an income tax return, or other evidence detailing gross income or net worth.

(m)(1) A home purchaser may apply to the Department for a property tax credit under this section after the execution of a contract of sale on the dwelling or settlement on the dwelling by filing an application on the form that the Department provides.

(2) The home purchaser shall state under oath that the facts in the application are true.

(3) To substantiate the application, the Department may require the applicant to provide a copy of an income tax return, or other evidence detailing gross income or net worth.

(4) If the home purchaser files an application for a credit under this section prior to settlement, the purchaser must file this application within 7 working days after the execution of a contract of sale.

(5) Upon receipt of an application prior to settlement, the Department:

(i) may further require the applicant to provide a copy of the executed sale agreement;

(ii) shall determine the amount, if any, of the credit for which the home purchaser is eligible under this section; and

(iii) shall notify the home purchaser in writing of its decision within 5 working days from receipt of the application.

(6) The Department shall adopt regulations governing the application for and granting of a credit before settlement as provided under this

section.

(7) On certification by the Department, the Comptroller shall pay to the home purchaser the property tax credit due under this section unless the credit was used to adjust the home purchaser's final tax liability paid at settlement under subsection (r) of this section.

(n) The Department shall notify an applicant in writing if the applicant is not eligible for the property tax credit under this section.

(o)(1) For any eligible application received before the May 1 that precedes the taxable year in which the property tax credit under this section is sought, the Department shall request the appropriate county collector to prepare a tax bill that reflects the final tax liability.

(2) If a homeowner presents the revised tax bill or a tax voucher with the tax bill to the county collector, the homeowner may make a single payment for the final tax liability.

(3) Except as provided in subsection (u) of this section, if a credit is granted for an eligible application received after May 1, property tax is not due on the property until 30 days after the revised tax bill is sent to the homeowner.

(4) If a municipal corporation or a special taxing district issues a tax bill separate from the county tax bill, the county may require the homeowner to submit:

(i) the separate tax bill; or

(ii) proof of payment of the separate tax bill.

(p) If a municipal corporation or a special taxing district issues a tax bill to a homeowner, the Department shall include the property tax rate of the municipal corporation or the special taxing district in calculating the property tax credit under this section and final tax liability.

(q)(1) Except for transfers between spouses, including a conveyance to a surviving spouse from the personal representative of a deceased spouse, if a homeowner transfers a dwelling that is subject to a property tax credit under this section, the property tax credit ends on the date that the property is transferred. The credit is not ended if the transfer is between spouses.

(2) The total amount of the property tax credit under this section is included in determining the amount of property tax that is:

- (i) paid by the homeowner; and
- (ii) adjusted at the time of settlement between the homeowner and the buyer.

(3) The homeowner is credited for the part of the property tax credit under this section that the homeowner's period of ownership during the taxable year in which the transfer occurs bears to the entire taxable year. The buyer shall pay the remaining part of the property tax credit under this section to the county.

(4) Any property tax credit under this section that is collected by a county from a buyer under this subsection shall be credited to the State less any cost incurred by any county or a municipal corporation.

(r) The final tax liability of a home purchaser due at settlement shall be adjusted to reflect any credit certified by the Department.

(s)(1) Each month or more frequently, if appropriate, each county collector shall submit a request to the Department for reimbursement for an amount equal to the property tax credits under this section and redeemed property tax credit vouchers paid under this section.

(2) The request may not include the property tax credits for which the county or municipal corporation is responsible under § 9-101(g) (<https://1.next.westlaw.com/Link/Document/FullText?findType=L&originatingContext=document&transitionType=DocumentItem&pubNum=1000033&refType=SP&originatingDoc=183dc3610818511e7aafe95cf571439a9&cite=MDTPS9-101>) of this subtitle.

(3) Within 5 working days after receipt of the request the Department shall certify to the Comptroller the amount of reimbursement due to each county.

(4) Within 5 working days:

- (i) the Comptroller shall make the reimbursement to each county;
- or

(ii) the appropriate county collector may withhold an amount of State taxes sufficient to reimburse the county.

(t)(1) An eligible homeowner who has a continuing care contract for an independent living unit at a continuing care facility for the aged shall receive payment for the amount of the property tax credit under this section from the Comptroller upon certification by the Department. A credit granted to the homeowner under this subsection may not be assigned to the continuing care facility.

(2)(i) Notwithstanding the provisions of subsection (g) of this section, if a homeowner under this subsection is a disabled veteran, the homeowner may receive a credit for the total real property tax attributable to the independent living unit, up to the maximum credit authorized under this section.

(ii) A disabled veteran may apply for the credit under this subsection by providing the Department with the information required under subsection (l) of this section and § 7-208(d)

(<https://1.next.westlaw.com/Link/Document/FullText?findType=L&originatingContext=document&transitionType=DocumentItem&pubNum=1000033&refType=SP&originatingDoc=I83dcab40818511e7aafe95cf571439a9&cite=MDTPS7-208>) of this article.
