Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have been a Hyattsville resident for 2 years and have lived in the DMV for the better part of 6 years. I have a background in communication, international affairs, and public policy. By day, I am a management consultant advising Federal Government clients on questions related to strategy, performance management / program evaluation, governance, and constituent experience. By night, I enjoy long walks with my partner and dog OR long discussions with fellow Hyattsville residents. I am interested in serving on the two indicated committees because they are at the heart of why I chose Hyattsville as my home. It's a vibrant community with people from all walks of life benefiting from public services and local businesses that reflect the make-up of the community. As the region grows, we need to plan intentionally, equitably, and ensure that we are building community across race, socio-economic status, wards, etc. Hoping to bring my problem-solving mindset and put it to the service of Hyattsville.
