I have served on the Board for numerous years and I am currently the Chair. We have many projects that we are working on at the moment and I would like to see through to the end. We had recommended to the Council (and have seen successfully pass) 16 and 17 year olds voting in City Elections. Currently we have advised the Council regarding non-residents voting in City Elections. I look forward to continuing with the Board of Supervisors of Elections.

**What specifically interests you in the election process?**

---

I would like to work on (with the BOSE) voter education for the community and our 16-18 year old potential voters. Re-districting is coming up in a year or so, and I would like to work with that committee.
