Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

Hello! I am interested in serving on the Education Advisory Committee to advocate for social and emotional learning and wellness in the school system. I can lend some of my experience in this area as a licensed social worker and a child-focused mental health therapist at a local FQHC. My husband and I recently bought our first home here in Hyattsville, so I think serving on the Committee would be a great way to get involved!
