Race and Equity Task Force: For Review

Referred By:

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

As a long time metro DC area resident of 17 years, and a property owner in Hyattsville, I feel that service to the community is an integral part of improving and maintaining the city. As a very diverse city with a high population of people of color, I feel that this task force is of particular significance.
