Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

Good Evening All, I would like to serve as a member of the Compensation Committee because I have approximately 25 years plus experience in federal government performance management, human resources and budget allocations. As Supervisory Staff Associate (Budget Analyst), I was responsible for advising senior leadership and administrative professionals on the interpretation and application of a variety of human resources policies, practices, and procedures including staffing, performance management, salary increases and incentive awards. More importantly, during the yearly performance management cycle, I was responsible for ensuring that the salary increases, bonuses and incentive awards for both the leadership team and administrative professionals were distributed fairly and equally. More importantly, I have lived in Hyattsville for the 26 years.
