Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

My name is Zach Peters, and my partner Whitney and I have lived in Hyattsville since June 2016. Professionally, I am a health statistician, and I currently work for the National Center for Health Statistics. Personally, I love Hyattsville and feel very lucky and proud to be a part of such a diverse, vibrant, passionate, and kind community. It takes a robust and trustworthy public infrastructure to ensure that Hyattsville continues to grow and thrive, which includes fair and representative elections. I want to serve on the Board of Supervisors of Elections to ensure faith in our election process, to enhance its reach among the Hyattsville electorate, and to continue to meet my neighbors through service to this community.

Question applies to Board of Supervisors of Elections

Do you have experience working in elections?

I have worked on the Board of Supervisors of Elections since 2020, and have helped administer four elections during my tenure. I currently serve as Chair of BOSE.

Question applies to Board of Supervisors of Elections

What specifically interests you in the election process?

I am a public health professional, and I have dedicated my career (and life) to connecting people to the resources they need, studying the best ways to deliver services, and thinking of ways to promote and preserve the health of populations. But health is connected to so many other fundamental needs...housing, education, economic opportunity, social supports. Our elected officials are tasked with promoting, preserving, and improving all of these areas, and through our elections, we give residents the ability to help shape their community to fit their needs. We want all voices heard for this process to fully succeed in meeting the community's needs, and I hope to help the elections board maintain the integrity of the voting process while expanding its reach to all residents in the community.
