Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

Hello, I am Janet Nackoney from Ward 2. I have been a member of the Hyattsville Environmental Committee since around 2014. I am a Geographer by profession and am interested in helping with environmental conservation and natural resources management. Participation in the Hyattsville Environmental Committee is an excellent opportunity to become more involved in building a more sustainable city and promote a 'greener' place to live. Thank you for providing this opportunity for me to serve our city.

Please answer the following demographic questions. The City of Hyattsville is committed to appointing dedicated, diverse, individuals to these Committees to achieve membership with residents of all ages, interests, and backgrounds. Although these questions are not required for the completion of this application and the data collected is not factored into acceptance to advisory boards and committees, it is useful for the city for the purpose of measuring outcomes.
