My wife and I moved to Hyattsville from out of state in July of 2022 to follow our adult kids and grandkids. I am recently retired and am now interested in becoming more involved in and with the governance of our wonderful community. For most of my career, I was an executive in IT organizations. For the past 10 years, I've worked as a solopreneur providing executive coaching to younger IT leaders. I'm most interested in the area of public safety because it is so central to the quality of our lives, both as individuals and as a cohesive community.
