Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I am a graduate of Virginia Commonwealth University with a Bachelor of Science in Criminal Justice and Bachelor of Arts in African American studies. I am excited for my application to be considered for an extension of my appointed position to the City of Hyattsville's Police and Public Safety Citizens' Advisory Committee. While in school, I spent time building my communication, writing, research, and leadership skills. I am focused and diligent when managing workloads and prioritizing tasks to meet deadlines. I have an interest and goal to advocate for the importance of new educational opportunities, research initiatives, and policy development concerning our criminal justice system. My diverse professional experiences have enabled me to aggregate and analyze law enforcement data to provide comprehensive intelligence and statistical analysis in support of criminal investigations, gun violence prevention, and initiatives to enhance public safety. Additionally, I can conduct professional communications and provide seamless customer service to outside agencies. I have experience supporting executive and senior administration in handling request and queries from senior managers to include drafting, preparing, and disseminating department protocol. Lastly, I have experience in supporting intensive research for special projects to include the preparation and modification of documents associated with special projects. My academic and professional experiences have greatly contributed to the development of my collaboration, writing, and leadership skills. I excel at communicating both clearly and professionally with co-workers, management, and stakeholders. These strengths, combined with varied academic and internship experience, have prepared me to make a strong and immediate impact. I look forward to speaking with you further to provide details of my background and those qualities which I believe will be an asset to the City of Hyattsville's Police and Public Safety Citizens' Advisory Committee. Thank you for your time and consideration. Sincerely, Taylor L. Wilder

Please answer the following demographic questions. The City of Hyattsville is committed to appointing dedicated, diverse, individuals to these Committees to achieve membership with residents of all ages, interests, and backgrounds. Although these questions are not required for the completion of this application and the data collected is not factored into acceptance to advisory boards and committees, it is useful for the city for the purpose of measuring outcomes. This information is for internal use only and the data is not shared publicly.
