Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

I would love to serve in this committee because I care about my city where I've lived for more than 10 years. I hope to continue to preserve and beautify our city sustainability so that many more generations can get to enjoy this great area for years to come. I also have a degree in Environmental management and would like to creatively use the knowledge learned to serve my community.
