Table 1: Fee per Device Schedule for Basic Plus Membership

# Devices	1-4	5-40	41-80	81-500	>500
Per Device Fee	Included with Basic Membership	\$246	\$235	\$224	\$213

When Agency selects the Basic Plus membership, it will need to notify the University each year on the number of devices it wants to run CapWIN software.

3. **Enterprise CapWIN Membership:** Available to entities with more than 1,000 users at an annual fee of \$125,000.
 - Allows an Enterprise member access to all CapWIN query services, including METERS-RMDTS/NCIC/Nlets, Maryland MVA and MVA "Browse" functions, NCR LInX, Maryland Live Warrant feed, Maryland Parole and Probation (Community Supervision) Database, and the USM Trespass Database.
 - Allows Enterprise member or a sub-agency affiliated with Enterprise member to access CapWIN software on mobile devices either
 - through a vendor of Enterprise member's choosing and/or
 - via the CapWIN System. If a sub-agency affiliated with Enterprise member chooses this option, that sub-agency will itself have to execute and submit the Membership Agreement. The sub-agency will not be required to pay a separate or additional membership fee as long as the Enterprise member maintains active Enterprise membership and the sub-agency continues to be affiliated with the Enterprise member.

Note on test use: CapWIN can make CapWIN software, the CapWIN system and support services available to a potential member at no cost on a temporary basis for testing and evaluation provided the users first complete training. Contact CapWIN.
