Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have been a resident of Hyattsville since 2016 and have loved the chances I have had to improve our community. As a committee member I believe that I can continue to make a significant and positive impact by applying my expertise as a planner. As a Transportation Planner I would be able to bring my experience in development review with an eye to transit and transportation impacts. I appreciate your consideration for reappointment.

Please describe your experience with government, business, municipal finance or accounting, including an understanding of generally accepted accounting principles (GAP) and financial statements, auditing, or analyzing financial statements, and experience with internal accounting controls.
