Committee members receive a stipend of \$40 per meeting attended. Upon appointment to a committee, you are automatically enrolled into the stipend program. You must complete and submit a W-9 form to receive your payment. The W-9 form will be emailed to committee members upon confirmation of your appointment.

Please enter your address below.

Many, but not all, of our committees require residency within the incorporated City limits of Hyattsville. To check your residency status, please visit the map: [City Residency Map](#)

Committees that accept applications from individuals residing outside of the incorporated City limits are listed below:

- Education Advisory Committee (at least 50% + 1 of sitting committee members must be residents of the City)
- Educational Facilities Task Force (up to one non-City resident appointment)
- Race and Equity Task Force (up to one non-City resident appointment)

Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have been a Hyattsville resident since 2016. I am Senior Project Architect with McCrery Architects in Washington, D.C., and I hold Master's Degrees in Architecture and Urban Design and a Bachelor's Degree in Political Science from the University of Notre Dame. I am a licensed architect in Maryland, an accredited member of the Congress for the New Urbanism, a member of the organization Strong Towns, and a member of the Institute of Classical Art and Architecture. I have also served as a studio instructor at the Catholic University of America School of Architecture and Planning, and I am a frequent studio juror for architecture and urban design studios at both CUA and the University of Maryland. My professional experience includes master planning work for several cities - including Ventura, California - as well as several college and school campuses. All of this work demonstrates a knowledge of and commitment to practices and policies that foster livable, beautiful, sustainable, walkable, affordable, and productive environments. I want to continue to offer my talents and expertise as an architect and urban designer in service to the City of Hyattsville through the Planning Committee in order to help guide city leaders and local developers toward creating places which will continue to support the vibrancy and smart growth of our city as it continues to grow and change.

Please answer the following demographic questions. The City of Hyattsville is committed to appointing dedicated, diverse, individuals to these Committees to achieve membership with residents of all ages, interests, and backgrounds. Although these questions are not required for the completion of this application and the data collected is not factored into acceptance to advisory boards and committees, it is useful for the city for the purpose of measuring outcomes. This information is for internal use only and the data is not shared publicly.
