**Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.**

---

I want to serve on the Race and Equity Task Force because I am interested in working towards creating more intentional, trauma informed and culturally sensitive programs, events and resources for our various immigrant communities here in the city. I see an opportunity to help create more spaces where immigrant communities are reflected in key decision making and processes.
