Dear Mayor Croslin and Hyattsville City Council,

At the January 27, 2025, February 24, 2025 and March 6, 2025 meetings of the City of Hyattsville's Education Advisory Committee (HEAC), we reviewed Education Enrichment Grant applications for the \$12,000 of funding that the City of Hyattsville allocates annually for groups or individuals within the Hyattsville community. After reviewing the applications and discussing the grant criteria, the HEAC voted unanimously to make the following recommendations:

1. Approval of 16 Education Enrichment grants Grant Applications, totaling a requested \$12,000 in funding
2. We recommend the Committee disburse 16 grants for the full \$750.

Attached to this letter is a spreadsheet of the individual projects to which we recommend disbursement of the \$12,000. Please let us know if you have any questions or concerns.

Sincerely,

Nicholas Misukanis
Chair of the City of Hyattsville Education Advisory Committee
