Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have been serving on the Education Advisory committee for the city of Hyattsville. My husband and I moved here in 2012. We met so many kind and friendly people while walking our dog through the different neighborhoods - we knew this is where we wanted to set down roots in the DC area - purchasing a home in Hyattsville later that same year. I am interested in giving back to our community. I am a clinical social worker by training - and having been very active in Oak Park, IL (where we raised our family), am very interested in helping to continue the work to develop Hyattsville into a vibrant, active community.
