Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

Serving on the Compensation Review Committee several years ago was an honor and I would like to find additional ways to stay involved going forward. With regard to the Planning Committee, in particular, I believe I possess a unique set of skills and experiences that would prove to be beneficial to the committee. In terms of my educational background, for example, I have a bachelor's degree in economics, a law degree as well as a master's degree in public policy. The latter degree exposed me to innovative concepts related to urban design and planning. In comparison, the law degree has prepared me to analyze local ordinances and regulations and provide legal analysis, when necessary. I consider myself to be an extremely hard worker, and it's also worth noting that I have no conflicts with existing or likely future development projects in the City of Hyattsville...(or anywhere else for that matter). I would be more than happy to furnish additional information upon request. Just let me know. In closing, thanks in advance for your consideration.

*Please answer the following demographic questions. The City of Hyattsville is committed to appointing dedicated, diverse, individuals to these Committees to achieve membership with residents of all ages, interests, and backgrounds. Although these questions are not required for the completion of this application and the data collected is not factored into acceptance to advisory boards and committees, it is useful for the city for the purpose of measuring outcomes. This information is for internal use only and the data is not shared publicly.*
