I'm an architect and an environmentalist and would love to join this committee! I've been working to "green" our 1905 Folk Victorian farmhouse and am documenting the process through a blog & vlog ALL OF OUR HOMES (allofourhomes.com). There are many hurdles we've bumped into and being involved at the city level may help me smooth out that path for other homeowners and building owners to do the same. I was asked to join the code compliance committee but I think this would be a better fit and I see you have an opening for a resident in Ward 1. Thanks in advance for your consideration!
