Health, Wellness and Recreation Advisory Committee: Submitted

Referred By:

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

I previously served on Hyattsville's Complete Count Census Committee, and I appreciated the opportunity to get involved in issues important to the local community. I'm interested in working on several issues that fall under the Health, Wellness and Recreation Committee's objectives, including access to fresh and healthy food, the city's walkability and recreation opportunities, and the city's COVID-19 resources.
