Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I've formerly worked with youth as a social worker in Canada, as a transitional youth program coordinator for foster youth in the state of Nevada, and I currently volunteer for Prince George's County's CASA program. I've always been passionate about helping youth build the professional skills they need to accomplish their goals as they move into adulthood.

Question applies to Ethics Commission

The Ethics Commission is composed of five (5) members, appointed by the Mayor and approved by Council for a term of three (3) years.

The Commission's responsibilities include adopting regulations in accordance with the City's Ethics Code, providing advisory opinions, and certifying compliance to the State Ethics Commission. In addition to these responsibilities, the Commission is appointed by the Board of Supervisors of Elections to review all campaign finance documents for Regular and Special Elections.

Question applies to Ethics Commission

What skills and experience will you bring to the Commission? Include any governmental experience, activities with civic and business organizations, accounting experience, or any other experience that would contribute to your effectiveness as a Commissioner.

I served as the statewide compliance monitor for Nevada's 2016 election cycle, which included monitoring and responding to election integrity violation reports. My work required me to work closely with Nevada's Ethics Commission to investigate matters under both of our offices' purview.
