Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

My name is Thaddeus Waterman, and I am currently on the Hyattsville Environmental Committee, and would like to continue being involved. I am interested in serving on the Hyattsville Environment Committee because I'm passionate about solving climate change. Climate change is one of the biggest challenges of our time, and I would like to help ensure that our local government is doing everything they can.
