**Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.**

I am invested in our Hyattsville community and as a new citizen of the city, I am looking for more ways to get involved. My background is in education and I have passions for teaching & learning and diversity & inclusion. I have previously worked as a K-12 educator in New York City and I current work in Student Affairs at the University of Maryland. I hope to be able to join at least one committee this year to begin understand the issues that Hyattsville faces and work with other dedicated citizens to make a difference in our home. I have checked the city calendar and the committees I have selected, work with my schedule. I look forward to serving this community that has already given me so much support and sense of belonging. After speaking with Laura, the City Clerk, I am excited by the opportunity to serve on some areas of interest of mine.
