Committee Stipend Program - *Members Receive a Stipend of \$40 per Meeting Attended*

Upon appointment to a committee, you are automatically enrolled into the stipend program but in order to receive your payment you must complete and submit a W-9 form. The W-9 form will be emailed to committee members upon confirmation of your appointment.

Please enter your address below.

Many, but not all, of our committees require residency within the incorporated City limits of Hyattsville. To check your residency status, please visit the map: [City Residency Map](#)

Committees that accept applications from individuals residing outside of the incorporated City limits are listed below:

- Audit Committee (a majority of the voting committee members must be residents of the City)
- Education Advisory Committee (at least 50% + 1 of sitting committee members must be residents of the City)
- Educational Facilities Task Force (up to one non-City resident appointment)
- Race and Equity Task Force (up to one-non City resident appointment)

Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have a passion for shaping sustainable learning environments and community spaces that focus on the people who use them. I am an accredited learning environment planner and school designer working for a local architecture firm that specializes in K12 facilities. I have worked on a number of school facilities in many counties across the state, including Prince George's. I have been a resident of Hyattsville for the last 15 years and graduated from the PGCPs school system. I have two children currently enrolled in Hyattsville schools and am an active volunteer. I look forward to doing what I can to help ensure that all Hyattsville educational facilities are future ready and give our community's kids the best chances for future success.

Question applies to Educational Facilities Committee

The Educational Facilities Task Force will make recommendations to the City Council to ensure the County addresses local school infrastructure needs. We are specifically seeking individuals with expertise in one or more of the following areas: Hyattsville area public school operational needs and landscape, architecture, land use/acquisition, urban planning, and PGCPs policies and procedures. Please describe how your skills and experience will assist the Task Force in making these recommendations.

My experience as a school designer has given me insights into operations, site design/landscaping, school building programming, school facility design, and exposure to future-ready schools across the country. I hope this and my experience as a learning environment planner can help the Task Force make well-informed recommendations regarding our local facilities and their needs.

Please describe your experience with government, business, municipal finance or accounting, including an understanding of generally accepted accounting principles (GAP) and financial statements, auditing, or analyzing financial statements, and experience with internal accounting controls.

No experience.
