Ethics Commission: Submitted

Referred By:

T. Carter Ross

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

The city's ethics code exists to outline the standards under which all employees and elected officials operate. It needs to be administered with diligence and thoughtfulness, and executed without bias. I'm a long-time city resident and am very active in community and non-profit pursuits; I have a master's degree in education and am currently pursuing graduate work in public policy; I care a great deal about our city, and want to ensure that the highest ethical standards are maintained.
