TERMS

NOW, THEREFORE, in consideration of the mutual promises of the Parties, and other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. SCOPE OF SERVICES

1.1. During the term of this Agreement, Contractor agrees that it will have the following

responsibilities with respect to the Project:

1.1.1. Project Activities Required Under The Project

- Survey the four (4) existing rental properties, gathering and preparing information on property conditions, investment history, rent history and updating market assumptions, tenant demographic information, and current and planned land use and zoning.
- Developing both preservation and redevelopment scenarios. This set of activities would include financial analysis and strategies with a focus on gap financing needed to provide deeply subsidized units (i.e. at 30%, 40% and 50% Area Median Income (AMI), or below a standard 60% AMI Low Income Housing Tax Credit (LIHTC) or 80% AMI workforce level).
- Assessing potential challenges to both preservation and redevelopment scenarios; surveying sources of funding, including gap financing, legal and land use planning and zoning implications, and considering mitigating measures in the event of temporary displacement.
- Providing a roadmap/blueprint for identifying future preservation/redevelopment sites in the specified target areas and implementation models/strategies.

1.1.2 Project Deliverables

The expected deliverables of the above work would be a report containing the following information:

- 1) Key information about the 4 apartment communities (tenant and property – specific).
- 2) The feasibility of full and partial preservation includes gap-funding scenarios that provide long-term, affordable rents at the 30% to 80% AMI level and include tenant protection measures such as temporary relocation assistance. Consider the conversion of market affordable rental to market affordable ownership (i.e. condominium or cooperative model). Detailed description of potential roles for City, County, State and federal partners. The feasibility analysis will also consider the effects of current and planned land use and zoning on the 4 properties.
- 3) Identification of roadblocks and challenges to full and partial preservation funding strategies. It will also identify site specific strategies for preservation and redevelopment that would help the City develop and refine its own tools.
- 4) At least one meeting with representatives of the 4 properties.

1.2. The Project shall also include all other work as reasonably and additionally required by the City and agreed to by Contractor. Any such work shall be reduced to written form and will require the Parties to execute a modification to this Agreement as set forth in Section 5 of this Agreement.

SECTION 2. PERIOD OF PERFORMANCE

2.1. The effective term for this Agreement is for up to 9 months, commencing upon the execution of this Agreement.

2.2. By agreement of the Parties, this Agreement may be renewed or extended for up to an additional six-month term following the expiration of the initial term of this Agreement. Continuation of Contractor's performance under this Agreement beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this Agreement. If funds are not appropriated and encumbered to support the Contractor's continued performance in a subsequent fiscal period, Contractor's performance must end, without further cost to the City, upon the receipt of notice from the City. Contractor acknowledges that the City Administrator has no obligation to recommend, and the City Council has no obligation to appropriate, funds for this Agreement in subsequent fiscal years. Furthermore, the City has no obligation to encumber funds to this Agreement in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, Contractor must not undertake any performance under this Agreement until Contractor receives a purchase order or contract amendment from the City that authorizes Contractor to perform work for any subsequent term of this Agreement.

2.3. Contractor agrees to perform all services required by this Agreement, including any modifications agreed to by the Parties, as expeditiously as is consistent with good professional skill and best industry practice.

2.4. Time is of the essence and a critical factor in the successful execution of the terms of this Agreement.

2.5. Contractor must not commence work under this Agreement until all conditions for commencement are met, including execution of this Agreement by the Parties, compliance with insurance requirements, and the issuance of any required notice to proceed.

SECTION 3. FEE FOR SERVICES

3.1. In exchange for these good and valuable services, Contractor will receive a fee not to exceed the amount of fifty-nine thousand dollars (\$59,000). The Parties may agree to an equitable adjustment of this fee as set forth in Section 5 of this Agreement.

~~**3.2.** The compensation due to Contractor under this Agreement shall not, in any event, exceed _____ Dollars (\$_____).~~

3.3. The City agrees to pay the fee contemplated in Subsection 3.1 to Contractor in _____ monthly installments in the amount of _____ (\$_____) per installment. The first monthly installment shall be paid one (1) month after the execution of this Agreement.

~~**3.4.** The City agrees to pay the fee contemplated in Subsection 3.1 to Contractor in a lump sum, after receiving an invoice from Contractor, and to pay said invoice within _____ days of receipt.~~

3.5. Contractor shall submit invoices to the City on a monthly basis. Invoices shall be based on time expended by Contractor to complete the tasks required under this Agreement. Invoices shall include the name of the assignment; a detailed description of the services provided; the results of the services; recommendations for future actions; the date; and the amount of time expended in providing the services. Payment will be made to Contractor within thirty (30) calendar days after the City's receipt of an invoice in a form deemed acceptable by the City. Payment will be contingent upon the City's verification that the work has been satisfactorily performed as determined by the City in its reasonable discretion. The City reserves the right to verify and approve the work represented by the invoice prior to payment of the invoice.

3.6. No payment by the City may be made, or is due, under this Agreement, unless funds for the payment have been appropriated and encumbered by the City.

SECTION 4. PRIORITY OF DOCUMENTS

4.1. The terms and conditions of this Agreement supersede any prior proposals or agreements.

4.2. The following documents are incorporated herein by reference into and made a part of this Agreement and are enumerated herein in the order of their legal precedence in the event of a conflict in their terms: (i) _____; (ii) _____; (iii) _____; and (iv) _____. In the event of a conflict in language between this Agreement and any of said documents, the terms of this Agreement shall control.

SECTION 5. CHANGES

5.1. Within the general scope of services, the City may unilaterally change the work, materials and services to be performed. The change must be in writing and within the general scope of this Agreement. In such cases, this Agreement will be modified to reflect any time or money adjustment Contractor is entitled to receive. Contractor shall not proceed with these changes (either additions or deletions) without a change order or amendment being signed by both the City and Contractor and an order or amendment stating, as applicable, the change in the work and an estimate of the time and/or cost involved in the change.

5.2. Any claim of Contractor for an adjustment in time or money due to change must be made in writing within thirty (30) days from the date the City notified Contractor of the change, or the claim is waived. Any failure to agree upon a time or money adjustment must be resolved under Section 11 of this Agreement. Contractor must proceed with the prosecution of the work as changed, even if there is an unresolved claim. No charge for any extra work, time or material will be allowed, except as provided in this Section.

5.3. The amount of any adjustment to this Agreement under this Section shall be a negotiated cost and fee.

5.4. This Agreement may only be amended or modified by a writing signed by the

Parties.

A termination for convenience is effective on the date specified in the City's written notice or, if the notice does not specify an effective date, then five (5) days after notice of termination is given by the City. Termination for convenience may entitle Contractor to payment for reasonable costs allocable to this Agreement for work or costs incurred by Contractor up to the date of termination. Contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under this Agreement.

8.2. In the event of any of the circumstances set forth below, hereinafter referred to as "Default," the City may terminate the Agreement, in whole or in part, and from time to time:

8.2.1. Any fraudulent representation in an invoice or other verification required to obtain payment under this Agreement or other dishonesty on a material matter relating to the performance of services under this Agreement; and

8.2.2. However, if the City determines that Default contributes to the curtailment of an essential service or poses an immediate threat to life, health, or property, the City may terminate this Agreement immediately upon issuing oral or written notice to Contractor without any prior notice or opportunity to cure. SECTION 9. CERTIFICATIONS OF CONSULTANT

9.2. Contractor and the City represent and warrant that: (a) they have the full right and authority to enter into, execute, and perform the obligations required under this Agreement and that no pending or threatened claim or litigation known by them would have a material adverse impact on their ability to perform as required under this Agreement; (b) they have accurately identified themselves and have not provided any inaccurate information about themselves or the Project; and (c) they are entities authorized under the laws of the State of Maryland to do business within the State.

9.3. SECTION 10. INDEMNIFICATION

10.2. Contractor further agrees to notify the City in writing within ten (10) days of receipt of any claim or notice of any claim made by third parties against Contractor or any subcontractor regarding the services and work provided to the City under this Agreement. Contractor shall provide the City copies of all claims, notices of claims, and all pleadings and motions filed therein as the matter progresses. This Section 10 shall survive termination of this Agreement for a period of three (3) years and six (6) months after the termination date.

In addition, those records that relate to any dispute or litigation, to the settlement of claims arising out of such performance, or to costs or items to which an audit exception has been taken shall be maintained and available until six (6) years after the date upon which any such dispute, litigation, claim, or exception is resolved.

15.3. Contractor shall include the provisions of this Section 15 in every subcontract Contractor enters into relating to this Project.

15.4. All proprietary information furnished by Contractor in connection with this Agreement, but not developed as a result of work under this Agreement or under prior agreements between the City and Contractor, shall be held confidential by the City, and returned to Contractor within thirty (30) days of the completion of the services or the conclusion of litigation wherein Contractor's services were provided. All inventions, techniques, and improvements held by Contractor to be proprietary or trade secrets of Contractor prior to any use on behalf of the City, as well as all inventions, techniques, and improvements developed by Contractor, independent of the services rendered to the City under this Agreement, remain the property of Contractor.

16.3. This Agreement and any rights or obligations under this Agreement may not be assigned or subcontracted by Contractor without the prior written consent of the City and any attempted assignment or subcontracting without such prior written consent shall be void.

16.4. All representations, warranties, covenants, conditions, and agreements contained herein which either are expressed as surviving the expiration and termination of this Agreement or, by their nature, are to be performed or observed, in whole or in part, after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement.

16.5. This Agreement represents the entire and integrated Agreement between the City and Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral. Notwithstanding any provisions to the contrary in any contract terms or conditions unilaterally supplied by Contractor, the terms of this Agreement supersede Contractor's terms and conditions, in the event of any inconsistency.

16.6. All section and paragraph captions, marginal references, and table of contents in this Agreement are inserted only as a matter of convenience, and in no way amplify, define, limit, construe, or describe the scope or intent of this Agreement nor in any way affect this Agreement.

Any waiver by the City of a requirement of this Agreement, including without limitation, any requirement that a notice be made in writing or that a notice or submission be made within a certain time, shall not operate as a waiver of the same or any other requirement of this Agreement, in any other circumstance or at any other time.

16.11. This Agreement shall not confer any rights or remedies upon any person other than the Parties and their respective successors and permitted assigns.

16.12. Contractor further agrees to coordinate its work under this Agreement with any and all other contractors that may be deemed necessary by the City.

16.13. Contractor shall be considered, for all purposes relating to this Agreement, an independent Contractor. Contractor agrees that it is not an agent of the City and shall have no right or authority to enter into any agreements or otherwise bind the City or create any obligations on behalf of the City with any other parties. All such counterparts will constitute the same agreement and the signature of any party to any counterpart will be deemed a signature to, and may be appended to, any other counterpart.
