Health, Wellness and Recreation Advisory Committee: Submitted

Referred By:

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

My name is Willene Hare (she/her), I have lived in Hyattsville since 2011. I am a straight black married mother of a newborn boy. I was born in Monrovia, Liberia and I have lived in the United States for 30 years. I enjoy going to local restaurants and shops, participating in local Hyattsville events like the arts festival and zombie run, and dancing samba at the new Brazilian cultural center. I enjoy living in Hyattsville for the diversity of the community and the city's amenities. Hyattsville offers so much to the people who live in Hyattsville while still being affordable. I am proud to live here. I have worked in public health organizations for the past 10 years and am currently working at the National Collaborative for Health Equity as a program coordinator on a program called the Culture of Health Leaders program. This work has inspired me to apply to be a member of the Health, Wellness, and Recreation Advisory Committee. I have tried to focus my professional work on big systems and national initiatives that impact some of the pervasive and systemic health disparities that impact communities around the country. I would like to make a direct impact in my own community by helping to strengthen the opportunities that people who live in and visit Hyattsville have to live their healthiest lives. Thank you for your consideration.
