Health, Wellness and Recreation Advisory Committee: Submitted

Referred By:

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

I believe the factors dictating health, wellness, and recreation are backbones to a quality life in any community. I'm grateful to be once again living in Ward 5 where I was born, and I look forward to using my skills as an artist, software developer, and communications specialist to help my community thrive. I'm a consultant working as the digital marketing subject matter expert at the Future is Health Campaign.
