Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

I have lived in our community for going on 30 years since June 1991 . Hyattsville has raised me and brought me to a place where i think i could give back to my community having lived and seen the great changes and strides that have been made by our City. I have a background/education in Criminal Justice. As a Hispanic American living all my life in Hyattsville i feel i have a unique perspective to bring to the table and the knowledge to help voice what is best for our communities, which as you can see, many of us, choose to stay as life long residents of Hyattsville. I have seen this community change throw out the years and want to be a voice to help in the growth and longevity of our City and would love to be a part of that.
