Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have been a resident of Hyattsville since 2016 and have loved the chances I have had to improve our community. As a committee member I believe that I can continue to make a significant and positive impact by applying my expertise as a planner. As a Transportation Planner I would be able to bring my experience in development review with an eye to transit and transportation impacts. I appreciate your consideration for reappointment.

*Please answer the following demographic questions. The City of Hyattsville is committed to appointing dedicated, diverse, individuals to these Committees to achieve membership with residents of all ages, interests, and backgrounds. Although these questions are not required for the completion of this application and the data collected is not factored into acceptance to advisory boards and committees, it is useful for the city for the purpose of measuring outcomes.
