Which Boards would you like to apply for?

Shade Tree Board: Submitted

Hyattsville Environment Committee: Submitted

Referred By:

Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

Hello! I am excited to submit an application for consideration for a position on the Environment Committee or Shade Tree Board. As a life-long environmentalist and California native, my wife and I chose to put down roots in Hyattsville due to its green spaces, walkability, and environmental services like composting. For over a decade, I have worked with communities and national governments to implement policies and practices to protect environmental resources. I am a former Peace Corps volunteer and U.S. diplomat and have worked on a range of environmental issues from climate change and ocean acidification to plastic pollution reduction and forest preservation. I am happy to provide additional details of my expertise in conservation, if needed. A Hyattsville home-owner since 2017, I am looking forward to finding ways to support the great work I've seen and help launch new initiatives to protect the natural environment and inspire residents to engage more closely with it. Thank you for your consideration.
