

## Compensation Review Committee

### MINUTES

Wednesday, Jan 30, 2023

6:30 - 7:38pm

### VIRTUAL MEETING

Attendees: Alexi Sanchez de Boado

- Minutes from last meeting approved
- Approved the final report. Will send to Laura Reams.
- Group debated whether any mention of the debate on the mayor's position being modified to full-time was appropriate for the report or PPT. We decided that because we spoke about it extensively we would mention it was part of the discussion but that we also understood it to be beyond the role of the committee.
- Tom and Juan will practice giving the presentation and present it at the council meeting with all members present.
