Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I am a relative newcomer to the community, having moved to Hyattsville in June 2023. However, I have served as an Assistant State's Attorney in Prince George's County for over 10 years. I am dedicated to working to improve our community in any way that I can. I am interested in the Race and Equity Task Force to further our community's goals of inclusivity. I believe that all members of our community should have equal access to opportunities and resources. Further, I believe it is our government's duty to ensure that said opportunities and resources are available in the first place and that all members of the community are aware of how to access them. As a member of the LGBTQIA+ community, I understand the importance of representation in government. I am interested in the Police & Public Safety Citizens' Advisory Committee to further our community's goals of public safety. I currently serve as an Assistant State's Attorney so I am very familiar with the status of crime in Prince George's County. I believe that community feedback on policies and procedures can only further our public safety goals. I also believe that community members should hold our government representatives accountable while still lending support wherever possible.
