Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

A flag is a timeless and inspiring symbol for a community, and the decision to design a new one should be handle with great care and appreciation. I enjoy vexillology (the study of flags) as a hobby, and hope to bring my years of experience both in the Hyattsville community and around the world to help create a memorable flag.
