Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

Hello, I am reapplying to be on the Hyattsville Education Advisory Committee. In regards to the education committee, I have been an advocate for quality education for many years now and have many educators in my family. Also, as someone living with a disability myself, I have a keen interest in improving our special education systems and services to help ensure that every student living with a disability has access to a quality education. Finally, during my time in Arlington County, where I was living until I moved to Hyattsville, I was a member of the County School Health Advisory Board as well as the County Disability Advisory Commission. I believe these experiences will continue to make a fantastic member of this Committee. I have learned so much since joining and it would be a privilege to continue my service. I am also applying to be on the redistricting commission - I want to help ensure that every citizen of Hyattsville has a voice and that everyone has the ability to elect the candidate of their choosing and that no one group of people is disenfranchised in regard to voting based on their zip code. Thank you and I hope to be able to serve the people of this wonderful community my husband and I now call home through one or both of these commissions and committees.

Please describe your experience with government, business, municipal finance or accounting, including an understanding of generally accepted accounting principles (GAP) and financial statements, auditing, or analyzing financial statements, and experience with internal accounting controls.
