Re: Lower Ward 1 Resiliency Projects
Subject: Scope of Work – Project oversight

Dear Ms. Riddle:

Enclosed is a scope of work for the Lower Ward 1 Resiliency project regarding project oversight. This scope is to manage, coordinate, and provide outreach and communication support of eight (8) projects in Lower Ward 1. Three (3) projects have been identified for design and construction. Five (5) projects have been identified for design, with the option to move forward to construction as funding allows. The cost for services is \$100,057.90.

Respectfully,
