Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

I believe in the importance of good governance at all levels and have seen how decisions made at the local level can impact a community. I also want to be a part of ensuring that the residents of Hyattsville have free and fair access to voting for their leaders and are equipped with the tools they need to make those decisions. I have served as an election judge in three city elections and have seen the process firsthand. I am interested in being a member of the board that ensures access and equity in the democratic process in Hyattsville.
