Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I am a one-year resident of Hyattsville who is enthusiastic about finding ways to make my new home even greater for all of us, whether it's organizing neighborhood cleanups or volunteering at the local tool lending library, and serving on the Code Compliance Advisory Committee would be a huge step toward continuing that work. I have eight years of experience in aerospace engineering, a strong eye for detail, and a willingness to ask the smart questions that will allow our Code Compliance Advisory Committee to continue to do outstanding work for our city.
