Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I currently serve as the chair of the health wellness and recreation committee and I love working with the current and new committee members. I think we are doing really amazing things for the City's residents, and each of us brings a unique point of view and experience to the table. I am a physical therapist currently getting my masters in public health, so this committee intersects my passions. I feel so honored to be on this committee and would love to serve another term with everyone.
