The Education Advisory Committee works to strengthen the relationship between the City and the schools and organizations providing educational services to students in the City of Hyattsville. The Committee's overarching goal is to help the City identify positive and meaningful opportunities to influence student achievement.

The EAC works on behalf of the Mayor and City Council to:

1. Develop and recommend educational programs, projects or other initiatives impacting the educational development of residents in the City of Hyattsville;
2. Develop high-impact community and school partnerships;
3. Serve as a resource to staff in the development of Citywide programs serving youth and young adults;
4. Receive and review grant applications from eligible entities for education-related programs and make recommendations for funding; and
5. Advise the Mayor and City Council in the development of policies and positions to advocate on behalf of students in the City of Hyattsville
