Please provide a brief background statement including why you want to serve on the committee/s for which you are applying. This statement may be posted on the City's website.

I have strong experience in both business and community service developed over the last 20 years. I have served in leadership roles in both the National Society of Black Engineers and the Urban League Young Professionals. In my professional duties as a global director, I still find time to engage in the development and mentoring of both industry professionals and collegiate students. I am new to the Hyattsville community and now looking for ways to engage and give back locally in the areas in which I am passionate about. I believe that fair and equitable policing is vital to our diverse community in creating an environment of safety, trust, and prosperity. I look forward to your consideration.
