## Terms and Conditions

This represents the entire scope of work. Any changes to the original scope of work will be at an additional cost and must be submitted to the Biztec project manager or the national accounts manager and approved in writing by customer prior to scheduling

Tax and Shipping and Handling will be included on the final invoice if applicable

\*Estimate is for budgetary purposes and Biztec reserves the right to alter as necessary upon arrival at site/survey

\*\*Deposit of hardware + 50% of install is required prior to commencement of work unless otherwise agreed upon and will be billed as a retainer invoice upon acceptance of estimate

\*\*\*Estimate assumes that all work is to be performed during normal business hours M-F 8am-5pm unless otherwise agreed upon and noted

\*\*\*\*Assumes that all existing hardware was installed correctly, is in good working order, is physically compatible, and that all cabling has sufficient slack/service loop to be used

Due to unpredictable fluctuations in the copper, steel, and commodities market(s) these items are subject to price increases. Biztec cannot predict these markets and reserve the right to recover any additional cost in excess. Biztec can offer to pre purchase and store project steel and copper wire if approved on the conditions of payment being made for materials stored on or offsite. We will provide a certificate of stored materials from our Insurance Company. We will accept full responsibility for it being correctly maintained safe, secure, and delivered to the project.
