Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

My name is Daniel Broder and my wife and I moved to Hyattsville in the summer of 2016. I am eager to utilize my professional skills that I have acquired in cyber security, solar power and technical writing to make contributions to the community. It would be a privilege and an honor to serve on these committees and I would be a flexible, positive, hard-worker if given the opportunity. Please let me know if you have any additional questions.

Question applies to Educational Facilities Task Force

The Educational Facilities Task Force will make recommendations to the City Council to ensure the County addresses local school infrastructure needs. We are specifically seeking individuals with expertise in one or more of the following areas: Hyattsville area public school operational needs and landscape, architecture, land use/acquisition, urban planning, and PGCPs policies and procedures. Please describe how your skills and experience will assist the Task Force in making these recommendations.

I am the chairman of the Hyattsville Education Advisory Committee. I have years of experience connecting stakeholders in political, community and issue based movements and moving them meaningfully toward goals. I have been active in assessing the viability and progress of the CIP when it comes to Hyattsville schools within the PGCPs CIP plan.
