Please provide a brief background statement including why you want to serve on a committee. This statement may be posted on the City's website.

My name is Thaddeus Waterman, and I am currently serving as the Maryland State Coordinator for Citizens Climate Lobby. I am interested in serving on the Hyattsville Environment Committee because I'm passionate about solving climate change. Climate change is one of the biggest challenges of our time, and I would like to help ensure that our local government is doing everything they can.
