Item Title:

Acceptance of the Chesapeake Bay Trust Stormwater Stewardship Grant

Suggested Action:

I move that the Mayor and Council authorize the City Administrator to accept and appropriate the Stormwater Stewardship Grant from the Chesapeake Bay Trust in the amount of \$36,702 for a green alleyway design using permeable pavers to serve as a pilot project that can be replicated.

Summary Background:

In the Summer of 2020 the Department of Public Works began the cleanup of Alleys 26A and 26B, between 44th Ave and Baltimore Ave. It was noticed that the alley was used primarily as a pedestrian walkway between Baltimore Ave and the neighborhood. Staff felt this was a good candidate to be converted to a green alley and submitted the project to the Chesapeake Bay Trust Stormwater Stewardship Grant for the funding of the design.

Next Steps:

Award funding for the design.

Fiscal Impact:

\$36,702
