Submitting Department: Public Works  
Agenda Section: Consent

**Item Title:**  
**Installation of Security Gate Controls at the Public Works Facility**

**Suggested Action:**  
I move that the Mayor and Council authorize an expenditure not to exceed \$20,000 to Skyline Technology Solutions for the installation of security gate access controls at the Public Works facility under their existing contract.

**Summary Background:**  
In 2019 the City of Hyattsville entered into an agreement with Skyline Technology Solutions to provide video surveillance, access control, and other security related products and solutions for all City projects and properties. As the construction of the new Department of Public Works (DPW) facility draws to a close, the automatic security gates need to be tied into the new access control system to bring them back online and help fully control access to the site.

**Next Steps:**  
Complete the installation of the gate controls.

**Fiscal Impact:**  
NTE \$20,000

**City Administrator Comments:**  
Recommend Approval

**Community Engagement:**  
N/A

**Strategic Goals:**

Goal 3 - Promote a Safe and Vibrant Community
