**Item Title:**  
**Study of Intersection at Driskell Park**

### Suggested Action:

I move that the Mayor and Council authorize the City Administrator to enter into an agreement with RK&K to perform an intersection study for the intersection of Hamilton Street, Gallatin Street, 40<sup>th</sup> Avenue, and 39<sup>th</sup> Avenue to develop concepts for the improvement of the intersection for an expenditure not to exceed \$75,000, pending legal review.

### Summary Background:

In early May 2023 City staff issued a request for proposals (RFP) publishing it on the City Website and eMaryland Marketplace. City staff received two proposals and determined that both were responsive and responsible. RK&K provided the better value for the City and it is staff's recommendation that a contract be awarded to RK&K.

### Next Steps:

Complete contract, issue PO, and schedule study.

### Fiscal Impact:

NTE \$75,000

### City Administrator Comments:

Recommends approval.

### Community Engagement:

Community engagement will be a part of the intersection study.

### Strategic Goals:

Goal 3 - Promote a Safe and Vibrant Community
