Item Title:

Decommissioning and Surplus of Public Works and Community Services Vehicles

Suggested Action:

I move that the Mayor and Council authorize the decommissioning and disposal of the vehicles and equipment noted in the memo dated May 30, 2023.

Summary Background:

The equipment listed in the memo has exceeded the standard replacement schedule and is no longer beneficial to the operations of the City. Decommissioning the equipment frees up staff time, storage space, and resources for other vehicles and equipment.

Next Steps:

Place the items for auction or disposal according to the City's Procurement Policy.

Fiscal Impact:

Proceeds from the auction will be returned to the City's general fund.
