RECEIVED

FEB 21 2024

**Petition Summary & Background Information:**

(Please print, attach additional sheets as needed)

City of Hyattsville

ON 31st Avenue, 5600 Block I usually see cars speeding above speed limit. There are children, families and pets walking the block and I feel it would be safer if there is a speed bump ~~that~~ would prohibit speeding. Or a speed camera would suffice and wouldn't interfere with emergency vehicles.

**Action petitioned for:**

(Please print) **THE ACTION PETITIONED FOR MUST BE PRINTED ON EACH SIGNATURE PAGE**

A speed bump on 31st Avenue, 5600 Block or a speed camera.
